Community Centre Rates as of fall 2015:

Hockey and skating rink fees are to be paid at the Minor Sports registration meeting in the fall.

If families need a payment plan they are to approach the Viscount Recreation Board to make arrangements and make postdated cheques.

The adult Rec Hockey teams are to collect fees from their players at their first meeting as well and submit the cheques to the Rec Board before their season starts.

*****If these fees are not paid than ice time will not be granted.**
